

Lake Bluff Erosion

Technical Assistance Community Meeting

The purpose of the meeting is to provide an opportunity for residents and local officials to engage with subject matter experts on issues related to the bluff erosion and to look at various options that may be available including steps homeowners can take to protect their property. Agencies invited include Wisconsin Emergency Management, Wisconsin Department of Natural Resources, US Army Corps of Engineers, Wisconsin Coastal Management Program and the UW Sea Grant Institute. **Special Guest Speakers: Gene Clark, Coastal Engineering Specialist and David M. Mickelson, Senior Scientist and Emeritus Professor (UW-Madison)**
