

PROJECT BRIEF

WIS 50 Reconstruction | 117th to 43rd avenues | Kenosha

July 8, 2021

OVERNIGHT STORM SEWER WORK CROSSING WIS 50

The Wisconsin Department of Transportation (WisDOT) is underway with reconstructing WIS 50 (75th Street), between 117th and 43rd avenues in Kenosha County. The following work is scheduled for the next phase of this project.

Beginning Monday, July 12:

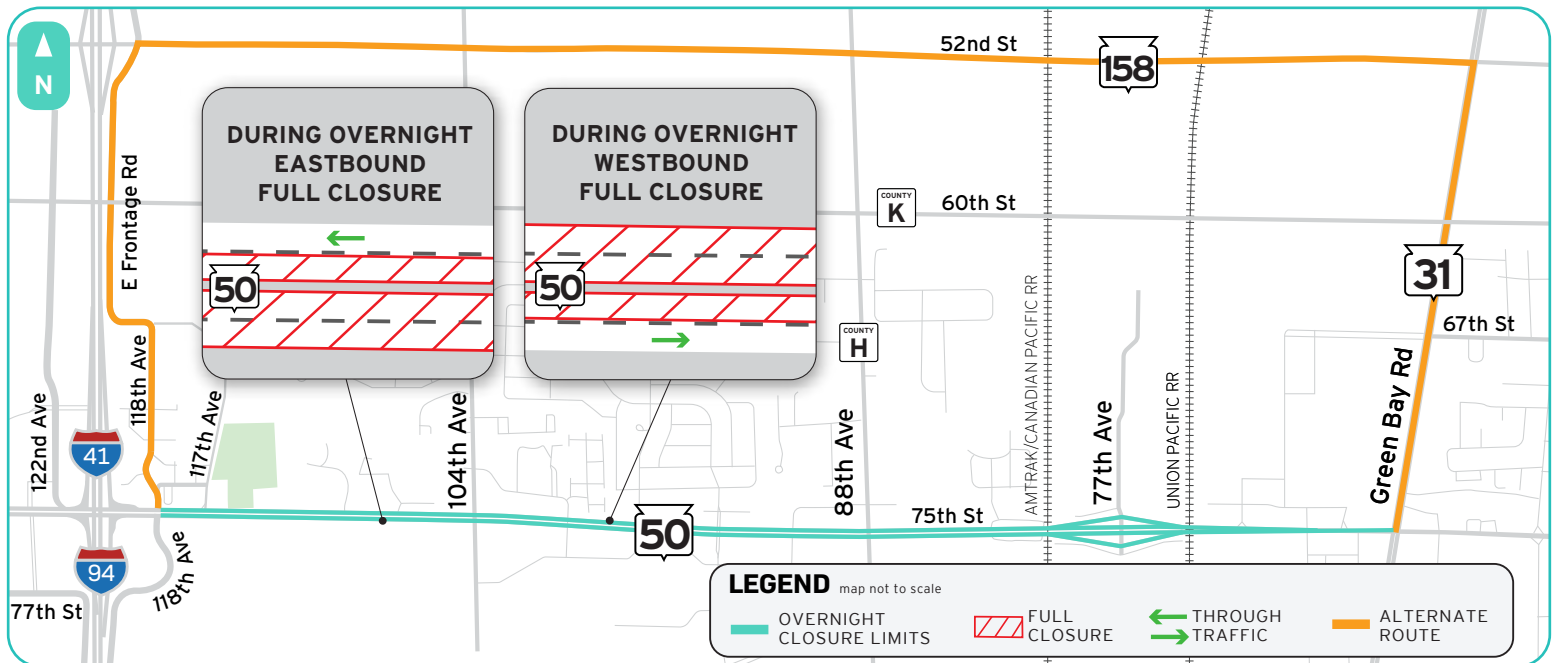

- WIS 50, between 118th Avenue and WIS 31 (Green Bay Road) is scheduled to have eastbound and westbound overnight closures for approximately one week (10 p.m. to 6 a.m.), for storm sewer crossings and girder installation. Eastbound and westbound WIS 50 will **not** be closed simultaneously during this work.
 - During eastbound full closures, westbound traffic on WIS 50 will be reduced to one lane.
 - During westbound full closures, eastbound traffic on WIS 50 will be reduced to one lane.
- Crews are scheduled to begin with westbound storm sewer crossings, following completion, crews will begin with eastbound storm sewer crossings.

Alternate Route:

→ Motorists are encouraged to use WIS 31, WIS 158, 118th Avenue and East Frontage Road to get around the closure.

Access to residences and businesses will be maintained throughout construction. Businesses and residents should also be aware that there will be noise and dust associated with this work, steps will be taken to minimize these effects.

Please note that all work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
