

HIGHWAY IMPROVEMENT PROJECT

WHEN and WHAT

Project Construction Period:
March 2023 through
August 2023

What's new: The intersection, which reopened to traffic in June, will be closed for one day **Wednesday, August 16**, for the installation of permanent streetlight poles. A posted detour will be in place.

(Note: This closure is weather-dependent and is subject to change)

What's next: The project will be substantially complete with the installation of the permanent lighting.

PROJECT UPDATE

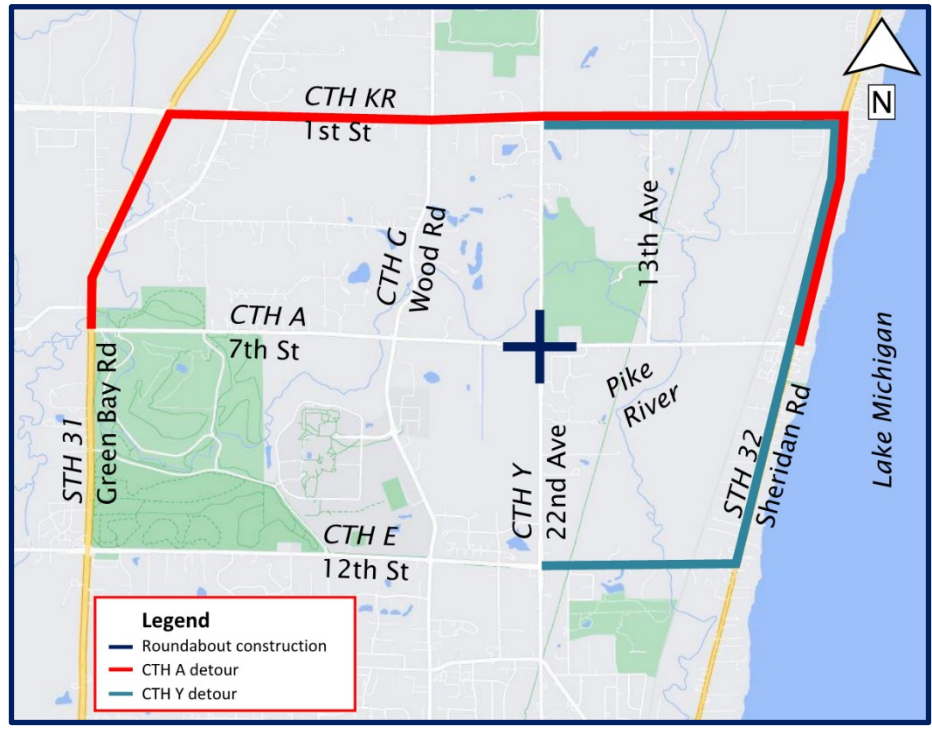

Highway Y and Highway A Intersection

PROJECT INFORMATION

Kenosha County is currently reconstructing the intersection of Highway Y (22nd Avenue) and Highway A (Seventh Street) in the Village of Somers.

The intersection is being converted from a 4-way stop into a single-lane roundabout.

Work was largely completed in June, although temporary lighting has been in place pending the arrival of permanent equipment.

The project team thanks you for your patience and cooperation throughout this project!
